**NEIGHBOR AWARENESS**

All proposed work of improvements require notification of all neighbors visually affected or impacted by the requested improvement. Owner shall present his/her ARC application and a copy of proposed plans to all affected neighbors and the neighbors shall complete the information below. A neighbor's approval of a proposed work of improvement is not a condition of the ARC's approval and a neighbor's objection to a proposed work of improvement is not binding on the ARC. This completed form shall be submitted to the ARC along with the completed Architectural Application and plans.
